November 2018

Dear Patient:

We are excited to announce that earlier this year, Georgia Ophthalmology Associates chose to affiliate with EyeSouth Partners. As a result of this change, you will see that the Explanation of Benefits (EOB) that you receive from your insurance provider will state the name "Eugene B. Gabianelli MD and Associates" instead of "Georgia Ophthalmology Associates". This will have no effect on the quality of care or the service that you have always received from Georgia Ophthalmology Associates.

Through this transition, our status with certain insurance payors was updated. Please note the current list of accepted insurance plans below:

Aetna	GEHA ASA
Aliera Healthcare Unity	Humana
Blue Cross Blue Shield	IHC HS
CHAMPVA	Peach State
Cigna	Tricare
CorVel Workers Comp	United Healthcare
Coventry	Wellcare Medical
First Health	

You may have received correspondence recently from your insurance provider indicating that we no longer are in-network with your insurance plan. Please note that Georgia Ophthalmology Associates providers are still in-network with the same insurance plans and in-network status has been restored without interruption, despite the notice they may have sent you.

The doctors and staff who you normally see at our two office locations in Decatur and Snellville, have not changed. Georgia Ophthalmology Associates will continue to offer you the same high-quality care that you have grown to expect from our practice. If you have additional questions or if you would like our staff to verify your in-network benefits, please do not hesitate to contact us at either of the telephone numbers below.

We appreciate you entrusting us with your healthcare needs, and we look forward to continuing to work with you for many years to come.

Sincerely,

Your Georgia Ophthalmology Associates Team
